

# Southwestern Youth Music Festival

## Cello Qualified Solo Repertoire List • Revised for use beginning in 2005

Choose ONLY **one piece** from the proper category, or, **one or two movements** from the same piece.

There is a five minute time limit in all categories. Teachers may use any edition.

The use of photocopied music for any purpose - except for original, hand written compositions - is prohibited; student will be disqualified. Also, photocopies may NOT be given to judges, used by performers or used by accompanists - except to facilitate page turns. Please call SYMF to verify the use of internet downloaded, permanently out-of-print or hand-written original scores. To obtain legal copies of out-of-print music, call Fischer at (212) 777-0900, ext. 222 (Lola Kavonic), or the Special Collections Librarian at the Eastman School of Music (585) 274-1335 (David Coppin). Be prepared to give the title, composer and (if possible) the catalogue number. They will quote the price.

Check list:

1. Is the student in the correct category according to their **AGE** and **HOW LONG** they have studied?
2. Have you chosen only **ONE** piece from the proper category?
3. If you are using two movements are they from the **SAME** piece?

Useful information: 1. You may use any edition you would like. 2. Remember that students must bring the music for the judges. No photocopies (see above.) 3. Students must have cellos tuned before entering the audition room.
