Repertoire for Piano Qualified Solo & Piano Qualified Duet Categories

(Repertoire for Qualified Duet Piano Categories begins on page 18)

Revised 11//2016

The Qualified Categories are designed to give the "average" student the opportunity to compete against other students of similar age, ability and length of study. SYMF depends on the integrity of each teacher to follow this principle. In addition, the SYMF computers now store age and length of study on students going back three years. In choosing repertoire for students in the qualified solo and qualified duet categories, follow these rules.

1. Choose any two (2) compositions listed in a category. Use free choice from any listed book. Any edition of the music may be used, except where indicated.
2. Students must perform only two (2) selections in their allotted time.
3. The two selected pieces may be from the same book or from the same piece, such as two movements of the same sonatina. Two movements or parts of the same work count as two selections
4. Enter students by their age as of August 1.
5. Time limits are enforced and are as follows:
Categories 1 - 34 = 5 minutes Categories 35 - 66 = 6 minutes
All qualified duet categories have 5 minute time limits
6. Repeats are left to the discretion of the teacher but are not advised.
7. It is the teacher's responsibility to ascertain the correct length of study for each student and to place the student in the proper category.
8. In the qualified DUET categories, memorization is optional.
9. NO PHOTOCOPIED MUSIC MAY BE USED FOR ANY PURPOSE DURING THE FESTIVAL. THIS INCLUDES THE MUSIC USED AT THE PIANO FOR DUETS OR GIVEN TO THE JUDGES. STUDENT WILL BE DISQUALIFIED.

The following music stores carry SYMF repertoire:
